ALTERNATIVE METHOD re: RULE 9021:

- ☐ The court waived the requirements of approval under LR 9021.
- ☐ No parties appeared or filed written objections, and there is no trustee appointed in this case.

☐ I have delivered a copy of this proposed order to all attorneys and unrepresented parties who appeared at the hearing, and any trustee appointed in this case, and each has approved or disapproved the order, or failed to respond, as indicated below [list each party and whether the party has approved, disapproved, or failed to respond to the document]:

- (2) No language other than "approved" or "disapproved" may appear above opposing counsel's signature; and
- (3) Unless the court orders otherwise, "opposing counsel" means any attorney who appeared at the hearing regarding the matter that is the subject of the order or who filed objections.
- (4) Variations from the certification language indicated in paragraph (c)(1) may be cause for returning the draft order unsigned by the court.

(d) Orders on applications or motions for which no hearing is held, and no objections are received. If a party requests an order on an application or motion, but did not schedule a hearing on the motion or application, relying instead on the absence of any objection to the requested relief, the party must also submit, with the proposed order, a declaration or affidavit containing the following:

- (1) A summary of why a hearing is not necessary in the matter;
- (2) A statement of how and when notice of the application or motion was served, and a list of those entities served; and
- (3) A statement that the declarant or affiant has not received and knows of no objections to the relief requested as of the time the proposed order was submitted.

NONE

No opposition was filed to the motion and no other party or counsel appeared at the hearing.
